TO THE

Right Honourable

And HONOURABLE

THE

KNIGHTS, CITIZENS AND BURGESSES,

For the Counties of *Westmerland*, and *Cumberland*, the Humble Addreſs of the benific'd Clergy within the Dioceſs of *Carlile*.

With the approbation of the Bishop of that Dioceſs.

Shewing,

THAT we have a due ſenſe of the good Services you have done our Church and Country in your late Vote of ſtanding by their Majeſties with your Lives and Fortunes, in the Re-eſtabliſhment of the Proteſtant Religion, and the Reſtoring of the Civil Rights and Liberties of this Kingdom; begging leave to give you this Aſſurance, that we will not be wanting to our Duty in promoting the like Religious and Loyal Zeal in our ſeveral Congregations, and in beſeeching God to give a long continuance to the good Underſtanding betwixt

twixt Their Majesties and Their People. And we desire further to assure you; That, when-ever their Majesties shall give leave for the Sitting of a Convocation, we will send such Representatives as we believe to be well inclin'd towards a happy Accommodation of all Differences amongst their Majesties Protestant Subjects; Not doubting but (by God's blessing on their Endeavours) the matters in Controversie will be so amicably adjusted, that all of us may become as Unanimous in the Worship of our God, as (we hope) we already are in our Fidelity to their Majesties. In testimony of which we have hereunto subscribed our hands, and desired the Authentick Seal of the Jurisdiction to be annex'd, the 20th day of *March*, 1688. In the First Year of their Majesties Reign.
